## IN APPRECIATION

*Death favors no time or convenience. But we believe in God and know that He will comfort us in this our hour of bereavement. We find assurance in His Word, strength in His presence, comfort in His mercy and peace in His Love. When death occurs, family and friends gather to celebrate a life that was lived. Our deepest gratitude is extended to all who have found so many comforting ways to express friendship, love and sympathy. Words cannot adequately express the thankfulness we hold for you today. We ask for your continued prayers that the Lord will strengthen us. We will always treasure the love and encouragement you have shown us. May the Lord continue to bless each of you is our prayer.*
