Dec 7, 1976 – October 6, 2005

The Brandon LeNorman Strong Memorial Missionary Fund has been established to encourage and support the moral and spiritual development of youth in Ithaca, New York. It is envisioned that programs and support will be provided for the resources, equipment, educational and leadership events and related areas of need.

The fund is created to honor the memory of Brandon LeNorman Strong, the son of LeNorman and Bernice Strong, who was baptized in St. James as a member of the “Buds of Promise”, and who grew up to be a man whose life was committed to the development of young people through recreation and creative and expressive arts. Brandon went to be with God on October 6, 2005.

Family, friends, and others who want to encourage the holistic development of youth in a spiritually wholesome manner have created this fund in hopes that it will become perpetual.
